EMPLOYMENT OPPORTUNITY

Supported Child Care Worker

YWCA Halifax, founded in 1874, is a multi-service charitable organization dedicated to enabling families to thrive, and serving women and young women at critical turning points in their lives. Across Canada, YWCA is the second largest network of child care providers in our country.

YWCA Halifax is seeking an empathetic, organized, and reliable individual with experience in developing and implementing program plans for special needs children in our program.

Qualified candidates will have experience interacting with children aged 12 years and younger, with emphasis on children with special need and the ability to work in a team environment, with other adults, including parents, co-workers and administration. Candidates must have valid First Aid and CPR certificates. At hiring, medical documentation is required confirming candidate's fitness for work in a daycare environment.

The successful candidate will work as part of a team of Early Childhood Educators. Building on related experience, including working with Special Needs children in a group setting, (s)he will provide support to existing programs, evaluate the physical space and learning environment, and suggest changes to existing programs for successful integration of children with special needs. The position also supports the Director in policy development with special attention to staff training needs and programming objectives to create an inclusionary-care environment.

Be a key part of the YWCA's commitment to making a difference and improving the lives of women and families in Halifax, while working alongside caring and dynamic staff. YWCA Halifax offers a competitive salary and benefits package. A hiring bonus will be offered to qualified candidates.
