## SCOTT W. HAGEN MEMORIAL SCHOLARSHIP

- A \$1500 scholarship is available to a Nova Scotian who is or will be playing a sport alongside their post-secondary education this coming fall.
- The scholarship will be awarded to someone who has also volunteered their time in sport and demonstrated the same characteristics as the scholarship's namesake, Scott Hagen: kindness, caring, devotion to sport, and generosity.
- The scholarship application is due June 15, and full instructions can be found in the article linked.

[Learn more about the scholarship here.](#)

## NORTH PRESTON BASKETBALL STAR AIMS FOR OLYMPICS

- Daneesha Provo is the only Nova Scotian at the Canada Basketball senior women's team training camp.
- If things go her way at the camp, she may be headed to the summer Olympics in Team Canada gear!

It's so exciting to see folks from our own neighbourhoods headed to the highest level of athletic competition! We are so proud of them, and they are an inspiration every day of what is possible. Good luck Daneesha. [Read more about her and her story here.](#)

## SUZANNE MUIR IS THE FIRST NOVA SCOTIAN TO BE INDUCTED INTO THE CANADA SOCCER HALL OF FAME

- Suzanne Muir, a Canadian soccer player from Dartmouth had an impressive soccer career, which included playing in two World Cups.
- After retiring from professional soccer, she became a police officer.
- Upon receiving the award, Muir said "This may be an individual award, but I don't see it that way. I see it as something that extends to everyone who travelled together with me in my soccer journey. In particular, I go back to where I started, my roots".

In her remarks, Suzanne really emphasized the role her teammates, coaches and other community members had in supporting her great successes in soccer. Team sports are about so much more than individual growth and achievement. Building lasting relationships is one of the things Suzanne cherishes most from her many years playing the game, with particular focus on her earliest days playing right here in Nova Scotia.
