

**Yes! I'm in as a member of the
YWCA Women's Leadership Collaborative for 2022.**

- My financial investment is \$1,000 annually.
- I'll personally attend the two events or send a designate and as COVID allows.
- I will invite five up-and-coming women to be guests at my table and encourage them to network with other attendees. These women could be newly promoted colleagues, fledgling entrepreneurs, or young contacts who are new to Nova Scotia. I will also try to invite different women to each event.
- I'll participate in between 5 – 10 "coffee talks" with the up-and-coming women who approach me at the event to learn more from me.

Please confirm the information we'll include in our collateral material:
