Strong With Survivors

Thank you for participating in Strong With Survivors, together we can end gender-based violence and provide life-saving supports for people fleeing abuse.

The December 6th Fund offers non-interest-bearing microloans of up to \$500 for women and gender diverse people fleeing abuse. The microloan can cover housing-related costs including but not limited to, damage deposits, rent, utilities, arrears, moving or storage payments, and phone and internet bills.

When women and gender diverse people are given the supports and opportunities to leave an abuser(s), they can empower themselves and build a better life.
